OEM and aftermarket , Heavy Equipment Parts for Cummins , Perkins, Komatsu, CAT, Mitsubishi Doosan, Deutz, Detroit Diesel John Deere, Sany Zoomlion Volvo Penta , Hitachi . Kubota, Yanmar, Daewoo Global sourcing and fast quotation support. Worldwide delivery.

Global Industrial Sourcing Network

- Genuine Parts
- OEM & Aftermarket Options
- Competitive Cross-Sourcing
- Fast Quotation Response
- Export Documentation Support
- Worldwide Shipping

Expertise

SmartGen

OUR SERVICES

Key goals include improving response time, enhancing sourcing capabilities, and optimizing delivery processes to meet urgent customer demands. We also aim to continuously refine our digital platform, making it easier for buyers to find, request, and receive parts without friction. Through consistent performance and customer-focused service, we work toward achieving sustainable growth and industry leadership

Generator Components

- Diesel engine spare parts
- Generator control module-Deepsea, ComAP
- Engine ECM Cummins
- AVR-Leroy Somer, Stampford, meccalte
- Diesel injector
- Hydraulic Pump
- Dive Motor

Electrical & Electronic Modules

- Engine Control Modules (ECM)
- Generator Controllers
- Deep Sea Modules
- Voltage Regulators
- Industrial Sensors
- Wiring Harness
- Power Relays
-

Hydraulic pumps, control valves, diesel engine components, generator modules and industrial electrical parts for excavators, cranes, wheel loaders, forklifts and trucks. Ready stock control modules. Worldwide supply.

EXCEPTIONAL SERVICES

EXPRESS DELIVERY

24/7 Support & Quick Quotes

- ✓ Our team is online around the clock respond via website chat, email, or WhatsApp. Get pricing and delivery times within minutes, not days.

WHY US

We supply critical engine components required for preventive maintenance, scheduled servicing, and urgent breakdown repairs. If your diesel generator engine needs replacement parts, we provide fast availability confirmation and quick dispatch options

A VISION FOR LONG-TERM SUSTAINABILITY

Our vision is to become a globally trusted supplier of diesel engine and heavy equipment spare parts, built on reliability, speed, and long-term partnerships. We aim to create a supply network that ensures consistent availability of critical components for industries that depend on uninterrupted operations

OUR MISSION GOES BEYOND HORIZONS

Our mission is driven by one core principle: reduce downtime for our customers. Whether it is a routine service requirement or an emergency breakdown, we aim to deliver solutions quickly and efficiently, ensuring operational continuity

GOALS THAT ACHIEVE ALL AMBITIONS

Our goal is to become a leading global platform for diesel engine and heavy equipment spare parts, known for speed, accuracy, and customer trust. We are focused on expanding our product range to cover all major engine brands and high-demand components

WHY CHOOSE US

Original & OEM-Equivalent Parts
Express Shipping to Saudi Arabia, GCC & Global
Expert Support Always Online
Parts for All Generator Models

How the Process Works

1. Send your enquiry with model or part number
2. We confirm availability and compatibility
3. Receive a fast quotation and delivery timeline
4. Parts dispatched via express shipping
